2013-14 Proposed Budget:

The Superintendent gave a brief overview and update on the proposed budget now that the State budget has been adopted on time with a small restoration of some

monies that had previously been withheld. Full-day Kindergarten has been saved for this year and 2 Librarian positions have been saved.

Mr. James Robinson, Executive Director for Business then gave a power point presentation with the updated information. (as attached)

The Superintendent reiterated the need for everyone to contact their government officials and advocate for the schools and children for next year. The single most harmful blow to the future of Public Education in New York State is the Tax Cap. It will, in the next few years, destroy education in New York State. The last few years have been very difficult and the next few years will also see many cuts with many districts facing educational and then fiscal insolvency.

The President of the Board of Education, Mrs. Mulé, added that Freeport is not experiencing a declining enrollment but rather an increase. For the 2012-2013 School Year, Freeport added two Kindergarten classes.
